## NEW AT THE QUEENS

### Our Website

Yes, we have had to close, by the law. We do still have curbside pickup. Go to our website, and reserve an item.

You will get a call, letting you know when your item is ready for pickup.

As the store isn't open normally, we will schedule a date and time with you, which includes payment and the item(s) you reserved. [www.thequeensmarketshop.com](http://www.thequeensmarketshop.com)

### Pop Up Shop

The General Store, next door, has graciously offered to run a little popup shop, right outside their doors. There is a selection of The Queens vendors items, entertainment (books, dvds, puzzles), and some **Valentines** themed gifts.

THANKS FOR SUPPORTING LOCAL!!

Please leave the envelopes unsealed.
